The assets or asset investment portfolio are strictly approved and selected by ICBC Financial Management Co., Ltd., and meet the investment standards when investing. Unless further specified, the credit rating of all

kinds of bonds to be invested is above AA (inclusive) and the credit rating of short-term financing bonds is above A-1 (inclusive).

(7) Repay capital and interest: on redemption date or within two business days after early termination date

(8) Source of Capital: self-owned cash

(9) Connected relationship: the Company and its subsidiaries have no connected relationship with ICBC and its subsidiary.

III. Impact on the Company of Financial Products

The Company invested in different short-term financial products, under the conditions that the normal operating requirements on cash by the Company and its subsidiaries will not be affected at all.

Above financial products newly-purchased are financial products with low risk and high liquidity, aiming at increasing the yield of excessive cash of the Company.

IV. Internal Risk Control Procedures

(1) The Finance Department would be responsible to prepare the investment proposal including type, term and amount of financial product to be invested. All investments shall be approved jointly by Supor’s CFO and CEO.

(2) The Finance Department needs to prepare monthly report before the 10th business day after each month end closing, with all the supporting contracts indicating, in as much detail as possible, the nature of the underlying investments, and send to all the Audit Committee Members. They are also responsible to follow up closely the detailed status of each investment product, if there is a possibility to affect the safety of investment capital or to affect the normal capital liquidity demands through evaluation, they should take corresponding preservation or redemption measures to control investment risks.

(3) The Company would also follow related regulations issued by Shenzhen Stock Exchange to disclose the detailed investment products and the yield periodically.
